Your services were excellent and the level of professionalism exceeded our expectation. My entire team loved everything—down to your choice of music and how perfectly you were on point with a song to match each and every award. Everything each of you did (and each of the team you chose) was just perfect. You are truly amazing Bill! You are definitely hired for ever after with Heart to Heart Hospice. Welcome to the H2H club!

Philip Chuba – Prudential Insurance Convention – philip.chuba@prudential.com

We are grateful in having found you as a DJ! You're an amazing combination of talent. First, I admire how you run your business, the investment you made in top notch equipment and technology, second, you have a great DJ voice & the ability to ad-lib & be spontaneous to fit the moment, third, you know how to get the party going & keep it going. (You got the moves on the dance floor!) Finally, you always make the show look effortless. We keep changing things up, performers go missing, we have Divas during the sound check and so many other things you adjust to on the fly. You are truly the best! Thanks for all you do.
